

CDC Cooperative Agreement Application

March 1, 2024

Overview

The Centers for Disease Control and Prevention (CDC) has released a Notice of Funding Opportunity (NOFO), CDC-RFA-PW-24-0080, Strengthening Public Health Systems and Services through National Partnerships to Improve and Protect the Nation's Health. The program is meant to increase the capacity, knowledge, skill, and ability of organizations to deliver the Essential Public Health Services. The Public Health Foundation is in the process of responding to the NOFO to continue to support the work of the Council on Linkages Between Academia and Public Health Practice and other workforce development efforts.
