2016 TAC Annual Meeting Agenda

TRAINing the Workforce for the Future

Objectives:

At the conclusion of this conference attendees will be able to:

- Examine how TRAIN data supports health departments with public health accreditation.
- Summarize how TRAIN supports the training needs of the public health workforce.
- Describe how evaluations can be used both to make decisions about program implementation and to improve program effectiveness.
- Demonstrate how TRAIN interfaces with mobile platforms.
- Describe the role of public health preparedness.
- Explain five strategies and methods aimed at enhancing training activities.

Monday, May 2, 2016
